I was planning to give my friend a surprise. His name is Alexander, he's my pal from parallel class. He is kind and understanding person, so I decided to give him a present on his 16th birthday.

I wanted to buy a big poster with members of his and mine favourite music band "The Beatles", but I couldn't find it on the internet, so I drew it by myself and then I left it waiting under my bed.

When 14th of January finally came, Alexander invited us to his house. We ate some pizza and then I gave him the gift. He was on a cloud nine because of this poster, he didn't trust his eyes! I was glad he liked my present, so were ~~we~~ our friends.

After it all, Alexander gave me a big hug and we returned to our pizza. I learned that giving presents gives you very joyful emotions. By this time, I will do this on every friend's birthday!
